POINT 3. Competitions' details

I. Participation in the Competitions is subject to the acceptance (reading and signature) of the "JIF Code of Conduct", which determines the participation of each player as part of the Fair-Play Jorikyball spirit.

The Jorikyball is an Amateur Sport - *even at the highest levels* - and the respect of the opponents, the referees, the spectators, the organizers is the fundamental point, without which a player can not enter the International Jorikyball Community.

Respect in and out of the playing field, with particular reference to online Social Networks.

Once the player has returned and signed the "JIF Code of Conduct", JIF will give him / her the green light or red light for participation

II. For each Competition, 3 matches are granted (with the exception of the *JIF United We Stand - Men or Women*, 2 matches assured)

III. For reasons of health and sports organization, each team must have at least 3 players.

If, exceptionally, the team will be made by only 2 players, the regulation of the Sport Participation Pack must always be for 2.5 participants (so 119 € x 2,5 = 297,50 €) and not for 2.

JIF strongly advises against forming a team with only 2 players. If by chance by 23 June '20 the 2 players will find a 3rd teammate, the rest to give will be only 59,50 €

IV. All players take part into the *JIF United We Stand* tournaments - *Men's or Women's* (each team formed by 3 players, through a draw that mixes sports level and nationality)
